Circuit Labels
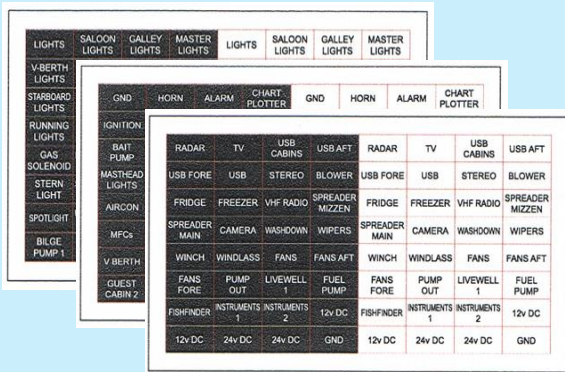

A set of pre-printed, vinyl circuit labels for yachts, motorboats, caravans and motor vehicles

Variants

Base Colours :	White on Black
	Black on White
Adhesion :	Self Adhesive
Number :	90+ Named Circuits

Product Information

Sheet Size LxW:	148mm x 83mm
Weight	10gm
Composition :	Vinyl
Made In :	United Kingdom
Software :	None
Packed Weight :	90gm
Warranty :	N/A
Sold By :	Smart Boat Ltd

Fast & Efficient – Instantly locate the correct wire for each device, reducing downtime and frustration when working on electrical systems.

Clear & Organized Wiring – Avoid confusion by clearly identifying each circuit's purpose, making maintenance and troubleshooting easier.

Enhanced Safety – Minimize risks by quickly identifying circuits during faults or emergencies, improving overall safety.

Preprinted & Ready to Use – Includes 90+ durable vinyl labels designed for yachts, motorboats, caravans, and vehicles, saving you time on manual labelling. Each label size :   17mm x 9mm.

Professional-Grade Solution – Ideal for SmartWiring Line installations, ensuring a neat, professional finish for all your electrical projects.

Shipping & Import Terms (INCOTERMS DAP) – This product is shipped on a DAP (Delivered at Place) basis, meaning the seller delivers to the buyer's address, while the buyer is responsible for any import duties, taxes, and customs clearance fees.
